Food Waste Reduction Workshop

Best practices for restaurants & hotels.

Lower your food cost

Reduce environmental impact of food waste

Brought to You by

Palm Springs Hospitality Association

Member Program

Tuesday, September 24, 2019

8:00 AM - 11:00 AM

@

Hilton

Palm Springs

400 E. Tahquitz Canyon Way, Palm Springs, CA

Workshop Description

Given the environmental, social, and financial costs of wasting food, this workshop focuses on strategic ways that restaurants and hotels can reduce their impact while increasing profits and guest satisfaction. The workshop is interactive and collaborative.

Who Should Attend?

This program will provide skills and resources ideal for Restaurant Managers and Chefs, Catering Sales Directors, Food & Beverage Directors, Executive Chefs, General Managers – virtually anyone working in foodservice / culinary supervision or management.
